Good news - your claim has been resolved.

We're happy to let you know a credit(s) has been placed on your account that includes any interest charges and fees that you were charged. You don't have to do anything on your end - you'll see the credit(s) on your monthly statement. We appreciate your patience and are happy we could resolve this for you.

It's important you know that sometimes we receive new information from the merchant that can cause your claim to be reopened. Don't worry, if this happens, we'll let you know and if we need anything additional from you.

**Your security is our priority**

Together, we can make the strongest possible defense against fraud. You can take simple steps like using strong, unique passwords for Online and Mobile Banking, and by confirming the email address and mobile number we have are up to date. You can also sign up for customized alerts to let you know when something unusual happens with your account.

Thank you for being our client.
